ATP WELCOME

Dear Members of the Media,

Welcome to the 2024 ATP Tour season.

We are thrilled to embark on another incredible 11 months of tennis action with you. Our journey kicks off at the United Cup in Australia this January and spans more than 60 events, across 30 countries, building towards the iconic Nitto ATP Finals in Turin.

Tennis is unmatched when it comes to epic rivalries, played out on the world's biggest stages, between iconic male and female athletes. Last season, we saw an intergenerational battle for the No. 1 spot in the Pepperstone ATP Rankings between Novak Djokovic and Carlos Alcaraz. A cast of incredible established and rising talent, hungry to make their mark, add so many dimensions to this narrative.

The 2024 season will see the continuation of major reforms made on Tour. Expanded ATP Masters 1000 events, profit-sharing, and the introduction of Baseline, a groundbreaking financial security programme that has transformed the economics of tennis for players. We are proud of these initiatives and remain committed to shaping a better future for tennis under OneVision.

Off the court, purpose is paramount. ATP Serves has made strong progress over the past years, and we are eager to build on those ambitions. Innovation, from data and tech to cutting-edge content, plays a big part in our vision to realise the full entertainment value of our sport.

To our friends in the media, thank you for being the storytellers who bring the game to life for countless fans worldwide. Your coverage is the heartbeat of tennis, and without your dedication, the sport would not be as loved as it is.

As we kick off this exciting season, I extend my heartfelt wishes for a wonderful journey ahead. Thank you for everything you do, and here's to a remarkable 2024 ATP Tour season!

Andrea Gaudenzi
ATP Chairman

ATP TOUR TIMELINE

The ATP is in its sixth decade as a leading governing body in professional tennis. The organisation was formed in 1972 when a handful of the game's top players met in a secluded stairwell at the US Open to discuss the need for a players' association. Under the leadership of newly elected executive director Jack Kramer and president Cliff Drysdale, the Association of Tennis Professionals (ATP) came to life with a goal of changing the game for the better.

1973

The ATP establishes the computer ranking system on 23 August, providing a fair analysis of a player's performance and creating an objective way to determine entries into tournaments.

1974

The Men's International Professional Tennis Council (MIPTC), made up of ATP, ILTF and tournament directors, is formed to govern the sport as an "independent, democratic, international body for the administration of professional tennis".

1976

The ATP doubles computer rankings begin on 1 March.

1980

The ATP sets up a player pension fund.

1985

At the request of the ATP, MIPTC passes a drug testing rule, making tennis the first professional sport to institute a workable and well-designed drug testing programme.

1986

In an effort to make the calendar more coherent, the MIPTC moves the Australian Open a month back to January (1987) and The Masters a month earlier to December (1986).

1988

The players, under ATP CEO Hamilton Jordan, hold a press conference in the US Open parking lot to announce that they will assume more control of the game. "Tennis at the Crossroads" outlines a plan for players to form a new tour. Tournament directors representing many of the world's leading events voice their support for the players and join them in what was to become a partnership unique in professional sports – players and tournaments each with an equal voice in how the circuit is run.

1990

Sponsored by IBM, the ATP Tour era begins with an equal partnership between players and tournaments. The circuit features 76 tournaments in 28 countries on six continents, with prize money averaging a 50% increase at the events. Indianapolis tournament director Mark Miles is named ATP CEO.

1993

The ATP Tour extends its global reach, adding Arabian Gulf tournaments in Doha and Dubai.

1995

The ATP Tour launches its first web site, ATPTour.com.

1996

The Mercedes-Benz/ATP partnership begins with a four-year agreement.

1997

The ATP Senior Tour of Champions is sanctioned.

1998

Players form a new STARS program as the ATP Tour helps make players more accessible to media, sponsors and fans.

ATP broadcasts extend their reach to more than 200 countries.

2000

The ATP Tour changes its name to ATP for 2001, introduces a new logo and rebrands its nine premier tournaments the Tennis Masters Series.

2005

Etienne de Villiers is named ATP Chairman in June. The year-end Tennis Masters Cup is held in Shanghai.

2007

The ATP introduces a number of changes to the Tour, including the elimination of best-of-5 set finals, as well as reduced draw sizes at five ATP Masters Series events to lessen the physical demands on top players and enhance TV scheduling. The ATP also increases prize money for the first time since 2000 and creates a new multi-million dollar marketing fund.

2008

All worldwide tennis organisations (ATP, WTA, ITF and Grand Slams) form a Tennis Integrity Unit.

2009

Adam Helfant takes over as ATP Executive Chairman and President in January. Three new tournament categories are introduced as the circuit is rebranded ATP World Tour: Masters 1000, 500 and 250 level events.

The ATP's season finale takes place at The O2 in London for the first time.

2012

Brad Drewett takes over as ATP Executive Chairman and President in January.

2013

Brad Drewett passes away in May from Motor Neurone Disease. In the preceding 12 months, he had led discussions resulting in significant prize money increases for all players across all Grand Slams.

2014

Chris Kermodie takes over as ATP Executive Chairman and President on 1 January. The ATP's season finale sets a new attendance record of 263,560.

2015

The ATP secures an enhanced partnership with Emirates that sees the award-winning airline become the Tour's Premier Partner through 2020.

2017

The inaugural Next Gen ATP Finals takes place in Milan, showcasing the world's best 21-and-Under players in a new and innovative format.

2018

The ATP announces the launch of the ATP Cup, a new team event set to take place in Australia from January 2020 in partnership with Tennis Australia. A new 'ATP Tour' brand identity and 'Love It All' marketing campaign is unveiled for 2019.

2019

The ATP Tour achieves an all-time attendance record with more than 4.8 million fans attending on-site. Emirates' status as Premier Partner of the Tour is renewed for a further five years. An agreement is reached for Turin, Italy, to host the Nitto ATP Finals from 2021-2025. Andrea Gaudenzi is elected as ATP Chairman, beginning January 2020.

2020

The inaugural ATP Cup launches in January in Australia. A global COVID-19 outbreak forces the suspension of the Tour prior to Indian Wells in March. The ATP Tour resumes in August, and the Nitto ATP Finals marks its 50th anniversary during its final year in London. Chairman Andrea Gaudenzi unveils a new strategic vision for tennis.

2021

The ATP Tour calendar faces continued disruption from COVID-19. ATP Serves launches and ATP becomes a signatory of UN Sports for Climate Action. The Nitto ATP Finals is held for the first time in Turin.

2022

ATP approves Phase One of OneVision, a long-term transformational Strategic Plan. ATP celebrates its 50th Anniversary. Pepperstone becomes the global naming partner for the Pepperstone ATP Rankings and Carlos Alcaraz becomes the youngest ATP World No.1 in history. Record-breaking Challenger Tour enhancements are announced. Roger Federer retires from the game.

2023

OneVision delivers additional \$50m in player compensation vs. 2022. ATP Masters 1000 events in Madrid, Rome and Shanghai become 12-day events. ATP announces Baseline, a game-changing financial security programme for players from 2024. Profit-Sharing payments are distributed to players for the first time. The Next Gen ATP Finals relocates to Jeddah, Saudi Arabia. Andrea Gaudenzi re-elected as ATP Chairman.

THE LONG RUN

All who aim to reach the pinnacle of tennis know that this tour is played over the long term. But few can truly grasp how, in truth, it is a never-ending story. In this unforgiving obstacle course, each player will start over with every venue, every challenge, every game. He will have to adapt to ever-changing latitudes and atmospheres, every possible — or rather, impossible — surface. With no assurance of ever reaching the Nitto ATP Finals. Yet with the absolute conviction that it is on these exact terms that careers are built and legends are written... one victory at a time. **Welcome to the ATP Tour.**

ROLEX

ATP CHAIRMAN

ANDREA GAUDENZI

Following a highly-accomplished professional career on the ATP Tour during which he won three ATP titles and reached a career-high ATP Ranking of No.18, Andrea Gaudenzi obtained a law degree from the University of Bologna, Italy, followed by a Master of Business Administration at the International University of Monaco, where he graduated with honours.

He went on to forge a successful career in business over the next 15 years across a wide range of sectors including sports marketing, entertainment, data, technology and media. He held leadership positions at several start-up entertainment, tech and gaming businesses in London, including Musixmatch and Soldo, as well as serving on the Board of ATP Media, where he was instrumental in leading the successful restructuring of the business which serves as the broadcast arm of the ATP Tour.

Gaudenzi and his wife, Giorgia, have three children, Filippo, Pietro, and Enea.
